

Creative Menu

KINIPI À LA BOUCHE RESTAURANT

Our chef, Jonathan Pellerin, and his brigade have poured all their experience, heart and soul into this distinct menu. You will be surprised by the unique blend of regional and Quebecois flavors such as Sweet Balsam, Wintergreen and Fir, to mention just a few.

Reminiscent of our origins, from the appetizers through to dessert, including our Algonquian inspired main dishes so perfectly blended with Boreal flavors.

Please note that Boreal Spices are not recommended for pregnant women. Dishes with Boreal spices will be identified by a 

We tough to vegan and vegetarian people. Items identifies with a  are vegetarian and you can ask your server and we can adapt it to vegan's person.
