

# Creative Menu

KINIPI À LA BOUCHE RESTAURANT

*Our chef, Jonathan Pellerin, and his squad have poured all their experience, heart and soul into this distinct menu. You will be surprised by the unique blend of regional and Quebecois flavors such as Sweet Balsam, Wintergreen and Fir, to mention just a few.*

*Reminiscent of our origins, from the appetizers through to desserts, including our Algonquian inspired main dish so perfectly blended with Boreal flavors.*

*Please note that Boreal Spices are not recommended for pregnant women. Dishes with Boreal spices will be identified by a*

*Many of our dishes can be adapted to allergies, please inform your server if you have any.*

# Appetizers

*Created at KiNipi à la Bouche, with Quebec products, these appetizers are perfect to start off a meal or as tapas. We wager that one visit will not be enough to taste all we have to offer.*
